About the Roth Capital Partners New York Conference

This annual event is the largest in the nation for emerging growth companies. It provides a concentrated forum where Institutional Investors can meet the executives of growth companies handpicked by Roth Capital's research team. The conference will highlight approximately 225 companies from industry groups, including Health Care/Life Sciences; Consumer Products; Defense & Industrial Technologies; Digital Media, IT & Entertainment; Broadband & Fiber Optics; Gaming; and Business and Banking/Financial Services.

This year, as a result of numerous client requests, Roth has extended the conference to three working days, including a Discovery Day, which will be hosted by RedChip Resources, LLC. For more information about the conference visit:
